IPUT REAL ESTATE DUBLIN

Our Vision

Our vision is to set the benchmark for excellence in Irish real estate and positively shape the future of our city.

Who We Are

We are Ireland's leading commercial property investment company and the largest owner of offices and logistic assets in Dublin. We are a long-term investor with a 50-year track record in real estate. We own and manage a portfolio comprising over 5 million sq ft, with a net asset value of over €2.7 billion.

We have an international reputation for delivering the highest quality in everything we do. Our goal is to own exceptional buildings that set new standards in design and sustainability in order to attract best-in-class occupiers, drive long-term shareholder value and contribute positively to the communities in which we work. By sustainably investing in the public realm, we make a positive contribution to the social and cultural fabric of our city.

Philosophy

We are passionate about our buildings and our presence in the city. We make long-term investment decisions for the benefit of our stakeholders, with an emphasis on excellence in design, sustainability and the occupier experience.
