Board of Directors

Supported by key Board Committees, the Board is responsible for setting and developing the Company's overall investment strategy, for the oversight of the business, and the continuous assessment of the principal risks, including monitoring of liquidity risk and uncertainties facing the business. The composition of the Board is continually reviewed, in order to ensure that it comprises the necessary diversity of background, knowledge and expertise, and to provide effective stewardship and oversight of the Company. The Board is satisfied that during 2022 it, and each of the key sub-Committees, continued to operate effectively.

Board composition and independence

The Board currently consists of nine Directors, six of whom are independent non-executives. While not subject to regulatory requirements in terms of Board composition, we recognise the value of independent oversight at Board level.

Ms. Annette Kröger joined the Board as a non-executive Director in October 2022. Ms. Margaret Fleming and Mr. Danny McCoy joined the Board as independent non-executive Directors in January 2023. Ms. Marie Collins and Mr. Jim Foley retired from the Board in December 2022. A full profile of each of the board members can be found on our website at www.iput.com/governance.

Chairman and Chief Executive

John Mulcahy is Chairman of the Board. He was appointed to the Board as an independent non-executive Director in 2014, and as Chairman in 2016. There is a clear separation of duties between the Chairman and the Chief Executive. The Chairman is responsible for the effective working of the Board while the Chief Executive, together with the senior management team, is responsible for the day-to-day running of the business.

Meetings

In 2022, the Board met seven times. The principal agenda items at Board meetings include: business strategy; risk management; regulatory and compliance reporting; financial and operational performance; the acquisition, development and disposal of properties; investor engagement and feedback; and Board effectiveness and oversight.

Board Committees

In order to ensure the effective leadership and oversight of the business, the Board has established and delegated certain key responsibilities to Board sub-Committees; the Investment Committee; the Audit & Risk Committee; the Nominations Committee; and the Remuneration Committee. The responsibilities of each of these Committees are set out clearly in written terms of reference, which have been approved by the Board.

Communication with shareholders

The Board places a high priority on effective communication with shareholders to foster a mutual understanding of the Company's investment strategy; performance and prospects; and the views of investors. On a day-to-day basis, engagement with investors is the responsibility of the senior management team who maintain regular dialogue with shareholders.

Our investor relations programme is designed to ensure that we communicate regularly with the major shareholders and with potential investors.

Communication is normally carried out through various means, including one-to-one meetings and calls, investor conferences and portfolio tours to show investors our properties.

We continue to engage regularly with our shareholders and during 2022, we presented to over 90% of existing shareholders.

The Annual General Meeting ("AGM") also provided an opportunity to update shareholders on the implementation of the investment strategy.

We also communicate with shareholders through a quarterly report which is available on our website at www.iput.com/results-reports
