

WE ARE HIRING

JUNIOR PROJECT MANAGER

(CONSTRUCTION & DEVELOPMENT)

Tropical Fruit Warehouse, Dublin 2

Working closely with a highly experienced development team, the Junior Project Manager will play a key role on major new developments and refurbishment projects across the IPUT portfolio.

Main responsibilities to include; Personal Profile

- Working with the development team on projects from early concept stage through design development, planning permission, procurement, construction, tenant liaison, completion and handover;
- Engaging with all parties to ensure delivery of IPUT's objectives; the safe completion of high-quality sustainable projects on time and at all times respecting the environment and local community;
- Co-ordination of internal reporting requirements.
- Third level degree in either Engineering, Architecture, or Quantity Surveying with up to 2 years' experience in a project management or construction management role;
- Pro-active with strong analytical skills and attention to detail;
- Excellent communication skills;
- Experience of technical report writing and presentations;
- Excellent IT skills with proficiency in MS Office (Excel, Word & PowerPoint), project planning and project collaboration software.

This role comes with a very attractive remuneration package including bonus, pension and private health insurance.

If you are interested in applying for this role, please email a cover letter together with an up to date CV to careers@iput.com

ABOUT IPUT

We are custodians of our city, and take pride in the buildings we develop, own and manage. We build workplaces that are healthy and fulfilling places to spend time in, and by delivering high-quality sustainable buildings we attract major global companies to Dublin.
