A STRIKING TRANSFORMATION AT A LANDMARK RIVERSIDE LOCATION

68,000 sq ft of smart, sustainable office space.
The most connected workplace in the city.

15 REASONS WHY THE FUTURE WORKS HERE

1 Profile and presence

A spectacular riverside location with views of the Liffey.

2 Connected

At the axis of Dublin's transport network with train, bus and Luas lines right on the doorstep.

3 Pioneering green

Reducing carbon emissions from day one of construction.

4 Fully electric energy

Targeting: LEED Platinum and Wiredscore Platinum, WELL enabled.

5 Striking design

Blending stone, metalwork and floor-to-ceiling glazing.

6 Inspiring workplace

Designed for connection, collaboration and creativity. Best in class specifications.

7 Framing a masterpiece

Four metre high 1,600 sq ft reception with floor-to-ceiling views of the Custom House.

8 Sharing a rooftop oasis

Communal 2,000 sq ft landscaped garden floating above the city.

9 Outstanding placemaking

World-class amenities that improve life for all who live and work locally.

10 Studio

Over 4,000 sq ft of sleek, city-centre work and wellness space with its own in-house barista and concierge service.

11 On-site café

Lively 1,900 sq ft, street-level, riverfront cafe.

12 Built-in wellbeing

Offering a 900 sq ft, on-site gym, yoga and treatment suite.

13 Greener commuting

100 bike spaces, showers, drying rooms and lockers.

14 Smart technology

An intelligent, interactive building automatically optimised for efficiency.

15 Renewable energy

Onsite solar panels. 29 EV-enabled parking spaces.

A STUNNING ADDITION TO THE QUAYSIDE SKYLINE

Set on the south of the Liffey, every floor has spectacular views of the river, The Custom House and beyond.

A GREENER WORKPLACE

Reducing embodied carbon from day one

Redeveloping instead of demolishing avoids creating thousands of tonnes of CO² emissions.

Retraining the original structure recycles concrete and steel and supports the circular economy.

Using clean, green electricity

This is a building with sustainability in its DNA that empowers a new generation of occupiers to reduce their carbon footprint.

Switching from fossil fuels to an all-electric strategy delivers market-leading, green credentials and targets the world's best energy ratings.

Maximising energy efficiency

Smart-enabled, technology systems are constantly adjusting to enhance comfort and conserve energy.

Targeting world-leading, energy efficiency ratings

BUILT-IN INTELLIGENCE OPTIMISES COMFORT AND ENERGY PERFORMANCE

This is a next generation, smart building packed with cutting-edge technology. Featuring destination control lifts, air conditioning that thinks for itself and live data insights that constantly improve energy efficiency.

SHARED ROOFTOP GARDEN

Step away from the noise and bustle of the city in a landscaped garden provided for all occupiers to enjoy.

Ease of access for occupiers at any time makes this space the perfect location for private events for up to 50 people.

Studio.

A CURATED SPACE TO WORK, MEET, AND BE INSPIRED

This is Studio. An invitation to everyone in an IPUT building

We're constantly looking for ways to add value for the people who use our buildings.

Studio is the latest innovation in our popular Making it Work offering. We're transforming the ground floor and rooftop garden of this building into an exclusive amenity space for everyone who works in an IPUT building.

An innovative destination at the centre of the city

Studio is a beautifully designed, contemporary space with a relaxed, informal atmosphere.

Blending business lounge elements, meeting & event spaces, and a wellness suite, it is all about bringing out the best in people, gathering them together in a relaxed environment and surrounding them with smart technology and premium amenities.

Changing how people think, perform and connect

Over 4,000 sq ft of sleek, city-centre space with its own in-house barista and concierge service. The free-flowing organic layout flexes to create the perfect experience for every person, team and company.

The rooftop garden provides ease of access and makes the perfect location for private events.

Studio is in an excellent location overlooking the Customs House and River Liffey. Tara Street Station is right on the doorstep. Connolly Station, Busaras and the Luas are just minutes away.

PLUG INTO THE LIFE AND ENERGY OF THE CITY CENTRE

Coffee central

The building has its own barista bar and onsite café, and it's close to dozens of great, local, coffee places like Shoe Lane, As One and Bread 41.

Pick a menu

Italian, Thai, Indian, Korean, Japanese and Irish eateries. Award-winning bakeries. Michelin-starred restaurants. Pop-up food trucks. Every food offering you can think of close to the office.

Lunch with a view

Grab a sandwich or a salad to take away and eat overlooking the best view in the city on the communal, rooftop garden.

Wide open spaces

Get back to nature with a short stroll to Stephen's Green, Merrion Square or the green campus at Trinity college.

What's on?

Dublin's top cultural venues and social scene couldn't be closer. Think: The Abbey, The Gate, The Bord Gáis Energy Theatre, 3Arena and all the best galleries and bars in the city.

Business network

The IFSC, Grand Canal Dock, The Convention Centre, Merrion Square. Dublin's key business districts are right on your doorstep.

Shopping list

Take a quick walk to Henry Street and Grafton Street for some retail therapy at Arnott's, M&S and Brown Thomas, and the city's coolest, indie boutiques.

Easy stays

Check into a range of top city centre hotels within a short 15 minute walk including The Westin, The Morgan, The Westbury and The Marker.

RESPONSIBLE INVESTMENT

At IPUT, we strive to be the market leaders in responsible investing. Our ambition is to be one of the greenest funds in Europe as we continue to set the benchmark for sustainability in Ireland.

Our Responsible Investment Strategy focuses on three pillars that underpin our ability to make long-term positive impacts on our city.

1

Climate action

- Enhancing the resilience of our portfolio.
- Transitioning to a low carbon economy.
- Continuing to pioneer net zero carbon buildings across our portfolio.

2

Resource efficiency

- Focusing on building longevity.
- Shifting to new and more efficient ways of designing, constructing and operating.
- Promoting circular economy principles to minimise the use of scarce resources and to reduce waste.

3

Social value

- Creating places where people thrive.
- Reaching beyond occupier experience to enhance our economic, social and cultural impact.

Working with our occupiers

We continuously engage with and support our occupiers to help deliver on our shared sustainability ambitions:

- We use our expertise to help our occupiers make cost savings through design decisions and proactive management.
- We include environmental performance clauses in all our leases.
- We use smart building technology to reduce and optimise energy use.
- We enhance occupier experience through our MyIPUT app.
